1980 . . . A Year of Pride

1980 is a year presented by the Tigers with pride. Through Scholastic achievement, sports, activities, organizations, and guiding teachers the Malakoff Tigers did their hardest in all aspects. With the starting of a new decade, the Tigers showed spirit that would give the 80's a special remembrance to all who participated. With determination, Malakoff had various emotions during the year. Those of joy after a win in a Tiger event or those of happiness from making a new friend. With the combined effort of the annual staff, we hope this yearbook has preserved memories for all Tigers and fans and that this school year shall be regarded as one with lasting value.

RUSSELL TARVER PACES TIGERS

The Malakoff Tigers put forth a solid effort during a tough rebuilding season. With only three returning lettermen, hopes of having a good year were grim. But with hard work and determination the Tigers finished with a mark of 8-17.

They started the season in grand fashion winning two of their first three games and taking second place in the Trinidad Tournament. But the Tigers hit an early season slump that lasted until their second district game, a 55-33 blowout at Mabank. (continued on page 33)

Lady Tigers Capture District Crown

The Malakoff Tigerettes captured the 13AA District championship for the second consecutive year with an outstanding record of 26-4. Although their bid for the Bi-district crown fell short against Whitehouse in overtime, 56-58, the Tigerettes let no one down and gave their town and school something to be proud of.

They were awesome on the court averaging 56 points a game to their opponents' 34. Although the Lady Tigers lacked height,

A Final Goodbye

June Trimble — "To the team and my friends: Together we stand and divided we fall. Good luck to you all."
Lori Rogers — "I loved being a Malakoff Tigerette and I loved my teammates. I'm gonna miss it."
Dianna Grayer — "It was a privilege to run out on the floor as a Malakoff Tigerette. Without you guys being a Tigerette would have been meaningless to me. Good luck."
Jackie Davis — "It was fun and exciting and I'll miss my teammates."
Cindy Hughes — "It was an experience I'll always cherish and remember."
Debbie Holt — "It has been an honor to be a part of such a great team like we had. I will always cherish the good times we had. Good luck in the future. I'll miss you all."

SENATE ADDS ZEST TO MHS

From a Powder Puff football game to selling Valentine roses, the Student Senate had a profitable year. The Senate sponsored a spirit week to build homecoming enthusiasm which consisted of a spirit chain class competition, the bonfire, and an after-the-game dance. Festive holiday feelings were aroused with the participation in the Christmas door decorating contest.

Along with the fun things, the Senate attended various leadership workshops. The Senate served as the District IV Secretary during 79-80.

The new yearbook members found out that being on the annual staff was not all glamour. Selling advertisements in the hot summer days added to the work, but it did give them an excuse to miss a lot of school. There were also a few of them lucky enough to sell football rosters at the Friday night football games. Despite the hard work and long lectures from Mr. Wylie for missing the deadlines, being a member still proved to be worthwhile.

Growler's Write Their Way To Fame

Placing the student body in the spotlight was the main goal of the journalism class. The many faithful, creative writers made the Tiger Growl, the weekly high school page in the Malakoff News, a success. The course also developed journalism talent that could possibly become the future career of some. Representing the journalism class at district U.I.L. competition, Marium Venable won a first place in feature writing and Elaine Joffe placed fifth. In editorial writing, Mitch Clendening placed third.

"April Showers" Soak Prom-Goers

• • •

Eight months filled with fund raiser after fund raiser came to an end with two work-filled days of decorating and one night that will live forever as a cherished memory by all the juniors and seniors. The theme "April Showers" could not have been more appropriate, for the day's rain shower continued throughout the evening. When inside, the dreary weather was forgotten in a ballroom filled with music, food, laughter, and magical moments with that special person.

SAVING TIPS
on electric ranges

1. When using top-of-range utensils, cover tightly and cook with minimum of water. Cooking's faster; less energy's used. Food looks and tastes better, too.
2. Use flat-bottomed utensils for best contact with heating surface. Use proper size utensils. A 6" pan on an 8" heating surface wastes energy.
3. Preheat oven only when needed and only to temperature stated. Normal preheat is 10 minutes; any longer wastes energy.
4. When broiling, do not preheat. Leave door ajar...air circulation insures proper broiling.
5. Use oven fully. Fill it with foods that cook at same temperature. Freeze extras for later use.
6. Center pans in from oven sides, staggered above each other (no overlap) for best heat distribution.
7. Keep oven shut. Opening door drops temperature 25° or more; wastes energy.
8. Thaw frozen meats before cooking.
9. Do not use oven or surface heating elements for home heating.
10. Turn range off immediately when finished.

Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.

As we look back we remember the good times, feeling a certain pride in the tasks we accomplished. Although a feeling of pain abides in us as we lose special friends, our lives shall be filled with new beginnings planned by individual characters. We will miss some, but as we reminisce . . . 1980 shall be remembered as our year.
